## **Enrollment Information and Policies**

To enroll a camper at Camp Timberlane, please go to our website at [www.camptimberlane.com](http://www.camptimberlane.com), and apply online. A deposit is required to hold a spot at camp. Your deposit may be made by check or by credit card, as explained on the site.

Our space is held for campers whose application forms are completed with fees paid on schedule. Applications are accepted on a first-come, first-served basis per age group. In the event an age group becomes full, we will implement a waiting list for that age group. Campers will be placed on the waiting list upon receipt of their completed application and deposit. Waiting list deposits are refunded in full at any time if we are unable to confirm enrollment, or at the request of the parents or legal guardians.

## **Deposits, Cancellation and Enrollment Changes, Miscellaneous Policies**

### **Prior to the Camping Season:**

- Camp Timberlane reserves the right to deny enrollment or cancel enrollment of any camper whose conflicting summer plans prevent him from attending the full term of the session for which he has registered. Deposit refunds will be subject to cancellation date restrictions. Families who provide notice of such conflicts after the summer has begun may incur an additional fee.
- Camp Timberlane requires that all campers receive all vaccinations that would be required of their public school system in the district of their primary residence. Parents/Guardians must provide verification of immunization history.

### **Paying for Camp:**

- Payment for camp will be done in up to 4 separate installments. If application is made after an installment date, the deposit to hold a spot at camp will be equal to the total amount of installments already due at that point. If a camper's account is not up to date with required payments, that camper's spot will not be held or reserved, and may be forfeited. Payments may be made by check or credit card. Credit card payments will incur an added transaction fee.

**Cabin Placement:** Remember, camp is a place for friends, NEW and old! Please make note of the following:

1. Although we will gladly consider requests made for cabin mates, **WE MAKE NO GUARANTEES!** Careful consideration is given to group and individual personalities, geographical diversity, length of stay, and prior experience at camp as well as cabin requests. Individualized weekly schedules and daily free periods afford constant opportunities for campers to spend time with new friends or old who are living in different cabin groups.
2. There are two opportunities to make cabin requests; on the **Camper Application Form** and on the **Camper Information Form** in the Spring. Requests made in the Spring will be regarded as addendums to those made on the application form.
3. Campers who make more than one request are more likely to have a request honored than campers who make only one request.
4. Please do not assume that requests from prior summers will be carried forward. Renew requests each summer.
5. **Requests NOT to be with other campers are strongly discouraged since kids' behavior at camp is often very different from their behavior at home, and because kids can change & mature so dramatically from one summer to the next. We ask our parents to "take a deep breath," and trust us and your kids to create a fun, safe, and harmonious cabin environment. We cannot guarantee "disrequests." Thank you.**
6. Cabin requests made after May 15<sup>th</sup> will not be included in the cabin placement process.
7. Cabin groups will not be disclosed prior to the campers' arrival at camp. Please don't ask before then. Thank you.
