Dear Alums,

We hope you've all had a great year. We are so excited to be gaining on the summer! We can't wait to welcome our staff and campers to our little slice of heaven in the Northwoods!

We hear from alums across the decades about how valuable their camp experience has been to them, especially as they enter adulthood and gain perspective on the advantages they have in many situations due to their camp experiences.

If you thought camp was important to you back in your day, then just imagine how CRITICAL it has become to kids living in 2019. Kids thrive at camp now - as they have always - due to the independence and self confidence they gain by being away from home with caring and engaged counselors.

You've probably heard a lot about kids who lack resilience. Colleges have begun to see unprecedented levels of freshman students returning home - for good - after one semester, unable to meet the challenges of life away from home.

There is no shortage of advice about how to adjust to this new normal. More counselors, social workers, less pressure, fewer stressors. Conventional wisdom directs us to protect our kids' comfort zone.

Maybe that's the problem. The more we shield kids from social, emotional, academic, and even some moderate physical discomfort, the more we create generations of people who never learn what they're truly capable of.

Conversely, those children whose lives include room to find their own way, the chance to play (outside) in unstructured and social settings, the opportunity to fail and try again without parental interjection...those kids become capable, well-adjusted adults.

All kids can thrive when adults give them the space. They need to make decisions for themselves, be accountable to others, and explore to discover the vast boundaries of their own abilities and

power. ***Does that sound like camp to you?***

We believe kids need camp now more than ever. They need to unplug and get outside. They need to run and swim and get dirty and be exhausted from going all day. Most importantly, they need to gain that independence and grit that enables them to stand up and push on in the face of a setback. Camp continues to play a crucial role in the lives of kids.

Timberbats in Action

REUNION 2020!!

You have been very patient...it's approaching 10 years since our last reunion. 2020 will be our 60th summer, so let's have a party! Here is your Save-the-Date info:

REMEMBER...THIS IS AFTER CAMP IN 2020...THAT'S NEXT YEAR....NOT THIS YEAR!

Starting Date: Friday, August 14th, 2020 @ 3:00 PM

Ending Date: Monday, August 17th, 2020 @ 10:00 AM

There will be lots more information coming your way after the upcoming summer concludes. If you will be 21 years old or older at that time, please plan to join us!!

Say hello to **DUSTIN COHEN**,

our new Associate Director. Most of you know Dustin already. Yep, he's our son. He is 25 years old and has a degree in Child Development from UW-Madison. After two seasons teaching skiing at Keystone Resort in Colorado, Dustin joined our year 'round staff last spring. He spent the "off season" traveling to see new families and recruit new staff, and is part of our leadership team in the summers. It's been a lot of fun for us to work together.

In the 34 years we have been on Lake Towanda, we have NEVER seen the water this high. And while we'll take this over the drought years anyway, it has cramped our style just a bit. Thank goodness we had our new boardwalk in place!

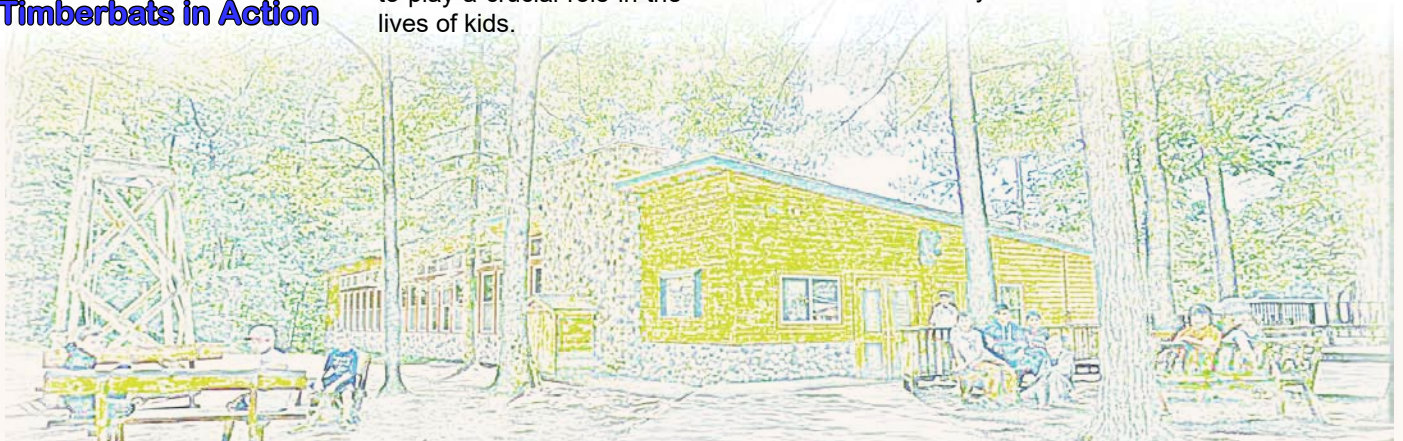

We've done tons of work at camp getting ready for the summer, including 4 new roofs, and some much needed landscaping around Menominee and Iroquois cabins.

We had another amazing summer last year with 12 amazing boys and young men who joined us entirely due to the generosity of those who supported Camp for All Kids. Our group of camps and truly selfless volunteers on the board and staff at CFAK make the process such a pleasure for us.

Discovering Similarities
Celebrating Differences

If you will be in the Chicago area at the end of April, we hope you will join us for the annual fundraiser, **COCKTAILS AROUND THE CAMPFIRE**. For more info, please click [here](#). Remember, even if you're not able to join us, your donation goes directly to helping wonderful kids from underserved areas go to fantastic camps FOR AS MANY SUMMERS AS THEY WISH! Can you beat that?

2018 was our 3rd Green Grows campaign, and it went very well. When all was said and done, we had 54 total donors, including 16 alums. Combined with the contributions our staff made from their

summer paychecks, we raised \$21,500!

We continue to be awed by the impact this program has on all of our campers and staff, scholarship recipients and others. **We also continue to hope for a stronger and broader buy-in from our alumni.** Please, when the Green Grows email comes your way this summer, think about the life-changing potential your donation can have, and join us in this effort. Thank you.

We thank the following alumni for their support for Camp for All Kids over the past year: **JIM ANSFIELD, BOB & ALEXIS BERK, BILL & DEBBIE BERK, MATT BERNIS, FRED BIERMAN, MICHAEL BREEN, BEN BRONSON, JEREMY COHN, STUART COWLES, BEN CRANE, GARY & NANCY GORCHOFF, DANNY GREENE, BARRY & DANIELLE KALLMEYER, DOUG KAPLAN, STEVE KRAVIT, GRANT LINSKY, JACOB & BEN LURIE, MARTIN LYNCH, JOHN MARKS, DANNY & SABRINA PLATTNER, DAVID RASKIN, BEN REMIS, ADAM ROCHMAN, JD RUBIN, STEVE SCHACHTER, GREG SCHATTEN, KENNETH SHAPIRO, JOSH SPAETH, DAVID SIEGEL, BILLY SIEGEL, SCOTT STONE, DAVID STRAUSS, JEREMY WACKSMAN, ZACH WALDEN, AND BRIAN “WILLY” WILLIAMS.**
